## Introduction

SCOPE Marketing Technology (SMT), operating as SCOPE FinTech, utilizes various types of cookies and similar technologies. This cookie statement aims to disclose the cookies placed by SMT and third parties through this website, the (personal) data stored by these cookies, their duration of storage, and the third parties with access to this data.

## Who is accountable for data processing?

SCOPE Marketing Technology BV, situated at Wijkerveerstraat 3, 2131 HB Hoofddorp, is accountable for the data processing outlined in this cookie statement. For inquiries regarding cookie placement by SMT, kindly reach out to SMT at [info@scope.nl](mailto:info@scope.nl).

## The following websites and applications are owned by SMT:

- [www.scope.nl](http://www.scope.nl)
- [www.cddondemand.com](http://www.cddondemand.com)
- [www.idvondemand.com](http://www.idvondemand.com)

## What are cookies?

A cookie is a compact text file that gets saved on a computer when visiting a website. It enables tracking of online activities when revisiting the same site, such as language preferences, popular articles viewed in online stores, and maintaining login status during site usage.

## Alternative methods akin to cookies

In addition to cookies, other comparable technologies like web beacons, pixels, and JavaScripts can also retain information about your website visit.

## What cookies does SMT utilize?

It is crucial for you to be informed about the cookies and similar technologies utilized on our website and their specific purposes. We aim to ensure both your privacy and the user-friendliness of our website to the fullest extent. SMT employs the following cookies:

- Functional and technical cookies
- Analytical cookies
- Cookies tracking
- Social media integrations
- Third-party cookies

Below, you can find further details regarding the cookies utilized on and through our website, including information on their users, duration, and purposes.

## Functional and technical cookies

Functional and technical cookies are essential for ensuring the full loading of the website, guaranteeing that pages are fully displayed without missing any content such as texts, videos, or forms. They enhance user experience during website visits by enabling features like displaying the website in the appropriate language, showing videos, ensuring functional links to external sites, and displaying forms. These cookies do not compromise privacy or gather personal information and are necessary for optimal website functionality. They are not subject to refusal.

## Analytical cookies

These cookies gauge website usage to enhance the website and improve user experience. For instance, tracking the duration of page visits. They are processed anonymously and do not affect privacy. However, we prioritize informing you about them transparently. These cookies are provided by SMT, but you have the option to disable them.

## Tracking cookies

Tracking cookies are utilized to monitor your browsing activities as a website visitor. They are employed to monitor the pages you access, enabling the creation of a profile based on your online behavior. This profile is associated with your IP address, not your personal information. The collected data is solely utilized to customize advertisements according to your profile, ensuring their relevance to you. Please note that these cookies require explicit permission from you as they are not enabled by default.

## Social media plugins

Social media plugins are a type of tracking cookies that provide social media functionalities on the SMT website. They allow website visitors to effortlessly share content with their network. The social media plugins utilized on the SMT website originate from Twitter and LinkedIn. These global social media corporations gather data to enhance user profiles, including information about your visit to our website. By granting permission, you enable these companies to combine this data with existing information they have about you, such as account details. It is important to note that these cookies require explicit consent from users and are not automatically enabled.

## Third-party cookies

Third parties also deploy cookies on SMT websites. These entities could include media agencies, advertising networks, advertisers, and social media platforms. Advertising networks and media agencies serve as intermediaries connecting SMT with advertisers. Information regarding the cookies placed by these third parties and the data they may gather can be found in the disclosures provided on their respective websites. It is important to acknowledge that these disclosures are subject to periodic updates, over which SMT has no control. These cookies are not automatically enabled; explicit consent is required for their activation.

## Google Analytics

SMT utilizes Google Analytics, a web analysis service offered by Google Inc., to monitor user activity on the Website and assess the performance of SMT's AdWords ads on Google search results. Google Analytics employs "cookies" (text files stored on your device) to analyze Website usage patterns. Data produced by these cookies, including IP addresses, is transmitted to and stored by Google on U.S. servers. Refer to Google's privacy policy for further details. Google leverages this data to track Website usage, generate reports for SMT, and furnish advertisers with campaign performance insights. Google may disclose this data to third parties if legally required or if these parties handle the information on Google's behalf. SMT disclaims control over this process and has not authorized Google to utilize Analytics data collected from SMT for other Google services.

You have the option to decline the utilization of cookies by adjusting the settings in your browser. Nonetheless, it is worth noting that this may limit your access to certain functions on the Website. If you prefer not to have your website visits tracked by Google Analytics, you can conveniently obtain a tool that prevents Google Analytics from tracking your activity.

By utilizing the website, you agree to Google processing the information as described for the specified purposes.

## Modify cookie preferences

If you prefer not to allow websites to store cookies on your device, you can modify your cookie preferences within your browser settings. This is where you can also remove any existing cookies set by websites. Keep in mind that you will need to customize the settings individually for each browser, computer, and mobile device in use.

Adjusting settings varies by browser. Use the links below to access manuals for different browsers to modify your cookie settings directly:

[Chrome](#)

[Firefox](#)

[Internet Explorer](#)

[Safari](#)

## Conclusion

The cookie statement is subject to change in accordance with any updates to cookie regulations. We recommend checking our website periodically for the most up-to-date cookie statement.
